## LIQUOR INFUSED SPECIALTY DESSERTS

### Simply Topsy Consignment Process

#### Simply Topsy will stock and setup products

A Simply Topsy representative will deliver products to the store location and setup the product display. We set the product cost depending on the store demographic and the liquor store owner suggestions. A Simply Topsy cooler, spoons, menus and marketing items may be provided as a part of the initial setup.

#### Simply Topsy will hold tastings

A Simply Topsy Representative will hold a tasting of the products within the first week of the initial setup. Tastings will include a Brand Ambassador, sample table setup, free samples, and simply topsy marketing tools. Additional tastings will be held to introduce new or seasonal products and every other month to engage new potential clients with the products in that store location.

#### Simply Topsy will replace products

Simply Topsy will eat the cost of any unsold products not costing the distributor anything. All products not sold will be exchanged / removed after the best by date on the product expire. If any products are low in stock or sell out, we will provide additional inventory within 48 hours of recognition. The store will be liable for any stolen or missing products.

#### Simply Topsy will invoice monthly

We will deliver or email an invoice for payment at the first of each month. Invoices will include the amount of each product sold, the cost of each product, the distributor discount and the total collected by the store location. This distributor will collect \_\_\_\_\_% per payout which will be deducted from the payment amount. Payments can be made by ACH payment through bill.com, direct deposit, a paper check or cash. All payments are due within (7) days of the invoice date.
